Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is in response to the Notice of Allowability mailed July 13, 2007. Applicants are in full agreement with the Examiner's Amendment and thank the Examiner for the many courtesies extended during the prosecution.

This paper is also to record matters discussed during the June 14, 2007 and June 15, 2007 telephonic interviews among Kimberly A. Makar, Ph.D. (Examiner) and Deborah Lu (Attorney, Reg. No. 50,940). Examiner Makar is thanked for the many courtesies extended during the interview.

On June 14, 2007 Examiner Makar discussed amendments to claim 33 which would render claim 33 allowable, along with reasons for cancelling claims 37 and 56, the entirety which

would render the application ready for allowance. Applicants' representative Deborah Lu tentatively agreed, however needed to discuss the proposed changes with Applicants.

On June 15, 2007, Applicants' representative Deborah Lu agreed to the proposed amendments.

Accordingly, a summary and record of the interviews is provided herewith.

To the extent that a petition is necessary for consideration and entry of this paper, it is respectfully requested that this paper serve as such Petition. Any fee occasioned by this paper, or for this paper serving as a Petition, or any overpayment in fees, may be charged or credited to Deposit Account No. 50-0320.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
